BUDGET DISCUSSION

TO:	**AZ Signature Management**
FROM:	**XYZ, Founder / Lead Consultant, Strativa Consulting**
SUBJECT:	**Discussion of Project Budget and Costing – AZ Signature**

Dear AZ Signature Team,

I hope you are doing well.

As part of our proposed six-month marketing project, we would like to discuss the estimated project budget and its allocation to ensure transparency and mutual understanding before implementation.

The proposed budget is outlined below:

BUDGET ITEM	ESTIMATED COST
Consulting and Implementation Fee	PKR 120,000
Paid Advertising Budget	PKR 90,000
Additional Content and Promotional Expenses	PKR 30,000
Total Estimated Project Budget	**PKR 240,000**

The consulting and implementation fee covers marketing planning, project coordination, campaign management, client communication, and performance reporting. The advertising budget is intended for approved promotional campaigns, while additional content and promotional expenses will support campaign materials and related activities.

Please note that these figures are estimates and may be adjusted following discussion and mutual approval. Advertising and promotional funds will be tracked transparently, and expenses will be shared with you through regular reports.

We would appreciate the opportunity to review this budget with you, discuss your priorities, and make any necessary adjustments to align the project with your business objectives and available resources.

Kindly let us know a suitable time for a budget discussion. We look forward to reaching a clear and mutually acceptable agreement.

Thank you for your time and cooperation.

Kind regards,

XYZ
