Dear AZ Signature Team,

I hope you are doing well.

I am writing to follow up on the six-month marketing project proposal submitted by **Strativa Consulting** for AZ Signature.

PROPOSAL UNDER REVIEW **Strategy | Timeline | Budget**

We understand that reviewing a project proposal requires time and careful consideration. We would appreciate knowing whether you have had an opportunity to review the proposed marketing strategy, implementation timeline, and estimated budget.

If you have any questions or would like to discuss changes to the proposed services or costing, we would be happy to arrange a meeting at your convenience.

Our aim is to develop a professional working relationship based on clear communication, transparency, and an understanding of your business goals. We would welcome your feedback and are open to adjusting the proposal where appropriate.

Thank you for your time and consideration. We look forward to hearing from you whenever convenient.
